

NIANTIC BAY YACHT CLUB

2017 Season Dry Sail Storage Application

GENERAL

Members may reserve a dry sail storage space by completing the attached application.

An application must be submitted before bringing a boat to the Club. Members bringing their boat to the Club before submitting an application shall be charged the daily fee for storage until an application has been submitted and accepted.

The seasonal fee will be invoiced to the member. Payment is due within 30 days from the date of invoice. A penalty of 5% will be charged for each 30 days or part thereof in arrears. Any member with an outstanding balance more than 90 days old is subject to forfeiture of their membership at the discretion of the Board of Governors.

All boats/trailers and/or dollies that are stored on NBYC property must be labeled with the member's name. Names should be near the transom of the boat. Trailers/dollies should have the member's name located on the tongue near the hitch or handle.

Boat, trailer and any other associated equipment must fit within the marked lines. Spaces are set up so that a normal Lightning and trailer or similar will fit on the Road Side spaces, 420s or Blue Jay with dolly or trailer will fit in the Water Side spaces. Etchells, Ensigns or similar keelboats will fit in the Pump House and West End spaces."

Dinghies may be dry stored in a rack or in the water - using dockside space west of the dinghy launching ramp.

Sailing Dinghies used for sailing lessons are not charged for storage space for their boats if rack stored and half price for ground storage on a trailer/dolly, but must register with this application for the current season.

There shall be no sanding, scraping, or painting of boats in the dry sail area.

LIABILITY

The Niantic Bay Yacht Club assumes no liability for any damage, theft, flooding, or other loss to a member's boat or vessel while in or out of the water at the NBYC facility.

All boats must be insured with liability coverage of \$300,000 minimum.

Boats may be required to be removed from club property during storm conditions. You must list phone numbers and emails addresses so you can be contacted in case of emergency.

Members and their guests are responsible for following all waterfront regulations and policies found in the current yearbook.

OFF SEASON STORAGE

Members may store their boats in the overflow lot next to the pump house after docks out and before docks in provided there is space available. An application and payment must be made before storing boat.

Complete the 2017 Dry Sail Storage Application for your boat/trailer/dolly to be stored at the Club and
return by February 15th to:

Robert Shabunia, P. O. Box 95, North Stonington 06359 or email to waterfront@nbyc.org
