NBYC Members –

Subject: Summer Guidelines Update

Thank You and Good Job

We want to start out by thanking all of you for all of your efforts to keep NBYC happy and safe. This past weekend we were pleased to see people social distancing, wearing masks in congested areas, and following the other guidelines that we have developed for everyone's protection.

There are two areas where we can do better. This weekend we observed that some guests were not wearing masks. If you do bring guests to the club, be sure that they understand what is expected of them. There are also a lot of young members in congested areas without masks.

Big News #1 – Clubhouse is opening

We are going to open up the clubhouse on June 17th!

- This space will be reserved just for adults
- The number of tables and chairs available will be half of what they normally are, and they will be spaced at appropriate social distances. Please do not move the tables or chairs.
- Everyone will be expected to wear a mask in the clubhouse unless they are eating
- Doors and sliders will be open for improved ventilation
- We will also be opening up the outside bathrooms (indoor showers will remain closed)
- The process for ordering food from the Slipper Shell will remain the same. Food for pickup will continue to be at the window closest to the little beach.

Big News #2 – July 4th Dinner

We are making plans to host a 4th of July dinner at the club. This will be a nice opportunity to get out of the house! We will be taking an approach similar to the fun and successful Full Moon dinner. Here is a preview of what is being planned:

- This is a member only event and dinner reservations must be made in advance. Reservations will be limited, on a first come, first served basis.
- Most seating will be outside, and food will be served by waitstaff
- The band, Java Groove, will be playing popular swing tunes
- Look for additional details, including how to make reservations, from the Social Committee

Wednesday Night Dinners – beginning June 24th

- The Slipper Shell will be serving dinner on Wednesday nights
- Carol must receive your dinner order by the end of the day on Tuesday. Walk-ups will not be served.
- Most seating will be outside
- When picking up food, wear masks and keep 6 feet apart
- If your crew hasn't been to NBYC yet this season, be sure that they understand our expectations regarding social distancing and masks!

Thanks again for everyone's cooperation. Please bring any concerns that you have to a member of the Board of Governors or the club manager. Be safe.
